Anteatery & Brandywine Summer Hours of Operation

Breakfast: 7:00 am – 9:00 am

Lunch: 11:30 am – 2:00 pm

Dinner: 5:00 pm – 7:00 pm

Any requests to change meal service hours must be received a minimum of 7 days in advance. If possible, the change will be accomplished without additional charges. A surcharge of \$150.00 per half hour will be assessed for major changes or inadequate notice. Service lines will remain open for 15 minutes after doors close. Adjustments to meal service times may be made if mutually beneficial and agreed upon by both parties.

Closures

The Anteatery and Brandywine are subject to closure if the minimums are not met. Dates of closure will be discussed one week prior and agreed upon by UCI Dining and Student Center & Event Services (SCES) prior to notice being posted at the entry doors to the dining commons. Both parties reserve the right to review participant counts and adjust the menu selections and operating hours as necessary.

The minimum guest count is 100 guests per dining hall unless previous arrangements have been made between UCI Dining and SCES.

Dining Room Access/Meal Identification

Meal Cards and Wristbands are non-transferable. Orders shall be submitted by SCES via email by 10:00 am a minimum of (3) business days before the group's check in. Orders will be available for pick up between 2:00 pm and 3:30 pm three business days later.

To have an order ready for a group checking in on Friday, please submit your order to UCI Dining by 10:00 am on Monday and pick up on Thursday between 2 pm and 3:30 pm.

When placing the order, SCES should order 10% over the estimated number of meal cards/wristbands, or ten more meal cards/wristbands, whichever is greater. This is intended to accommodate lost/defective meal cards/wristbands or late arrivals.

If the reserve amount becomes exhausted, SCES should order additional meal cards/wristbands as entry to the dining commons is based on having a wristband or meal card. A meal card/guest meal card request form must be submitted by SCES to UCI Dining for these additional meal cards or wristbands. The first add-on order would be order #2, and so on.

All meal cards/wristbands are due back to UCI Dining two business days after the conference checks out between 2 pm and 3:30 pm. All items should be returned in the packaging that it was received with the cards in numerical order and any loose wristbands secured together.

Guest Meals/ Add-on Meal Cards

For groups with partial days of conference meals or guests of a conference group, guest meal cards or a similar arrangement will need to be made for entrance into the dining hall.

SCES will be responsible for ordering guest meal cards for their groups, unless otherwise agreed upon. These guest meals will be issued as swipes on a meal card for ease of verification. As a special exception, paper cards may be issued in increments of ten to avoid waste.

All meal cards/wristbands are due back to UCI Dining two (2) business days after the conference checks out, between 2 pm and 3:30 pm. All items should be returned in the packaging that it was received in with the cards in numerical order and any loose wristbands secured together.

Charges will be assessed based on usage. Any unreturned cards or lost guest meal cards will be subject to the lost card charge as listed below.

Late Arrivals

Late conference participants shall be issued a meal card or wristband upon arrival at the Conference Office. If the original order has been exhausted, SCES must request additional meal cards/wristbands from UCI Dining by submitting the appropriate form and numbered in sequence as detailed above.

Defective, Lost and Damaged Cards or Wristbands

Defective, lost and damaged meal cards or wristbands should be reported to a Conference Assistant who must email the card/wristband information and the replacement card/wristband information immediately to Lillian Abe (abe-lillian@aramark.com) , Andre Wong (wong-andre@aramark.com) & UCI Summer Conferences (scsesconf@uci.edu).

Defective meal cards or wristbands will be replaced at no charge. Any damaged or defective meal cards & wristbands are to be included with the returns in the envelope provided at the end of the program. Damaged or defective meal cards & wristbands that are not turned in will be considered lost & charged accordingly at the end of the summer conference season. UCI Dining will charge SCES \$10.00 for each lost, unreturned or damaged card & wristband, and that charge may be assessed to each group at SCES' discretion.

A card will be considered damaged if it cannot be reused. This includes, but is not limited to, cards warped from sunlight, dog bites, hole punches, broken cards, peeled off printing, and writing with permanent marker.

After Hours Assistance

Should a group require additional cards after UCI Dining Office business hours or on weekends, SCES may contact the appropriate Dining Commons Manager on Duty and request a tally count, and entrance granted until additional cards/wristbands can be made available. The number of entries and meals must be reconciled with the Dining Commons Manager on Duty, Andre Wong (wong-andre@aramark.com), and SCES as soon as possible. Charges will be added to the occupancy or guest meal card billing for the conference, whichever is appropriate.

Meal Guarantees & Rates

Meal guarantees and rates will be outlined in the Summer Conference Rate Charge and be mutually agreed upon by SCES and UCI Dining.

Check-In & Adjustments

SCES will ensure that all conference house counts are emailed to the following UCI Dining team members:

Babette "Bunny" Bennett: bennett-babette@aramark.com

Joe Poonipat: poonipat-joe@aramark.com

Andre Wong: wong-andre@aramark.com

This is to be done immediately after close of check in. Adjustments to house counts due to late arrivals or early checkouts are to be emailed prior to the next meal period.
